AND AWAY WE GO!

It is most important for every manager to hold a meeting with his staff just as soon as he receives a copy of this Bulletin. Discuss the sale of these Books of Theatre Tickets from every possible angle. ONLY A MANAGER WHO IS ENTHUSIASTIC ABOUT THE SALE OF THESE BOOKS CAN PASS HIS ENTHUSIASM ON TO HIS STAFF!

You can follow your own formula for promoting the sale of these books in order to take advantage of conditions that are peculiar to your own locality. A sales meeting should be held at least once or twice a week to report progress and to discuss any sales problems that may arise.

Please bear in mind that there must be no attempt to press sales upon the regular customers to substitute normal ticket buying. While we cannot refuse a sale, the primary purpose of these "Gift" Books is to fill a desire on the part of the public to give theatre tickets to their relations and friends at Christmas.

AND EMPHASIZE THIS.....
